MONTGOMERY WARD & CO.'S CATALOGUE No. 57.

RAZORS.

Razors sent by mail, 3 to 6 cents extra. Use razors only fully warranted by us, and if properly turned at our expense and money refunded or exchanged for another, if not as represented.

Many good razors are rendered useless by stopping them on the edge as a "saw-tooth" the edge. The razor does not stop, and the back of the razor is not sharp.

Stop a razor by turning with the edge on the stop. It is not ready for use. Buy razor of good quality, hollow ground. A little gem, and a steady shaver, no better steel but a beauty. Every one likes them. Our biggest seller; warranted. Each... \$1.00
